For Information

On Monday, November 13, 2023, the Ontario Secondary School Teachers’ Federation/Fédération des enseignantes-enseignants des écoles secondaires de l’Ontario (OSSTF/FEESO) is co-hosting an Ontario Liberal Leadership event – [Leading the Liberal Way](#), at the University of Toronto, Isabel Bader Theatre.

The event will feature all four leadership candidates and provide an opportunity to learn more about their visions for revitalizing the party and tackling the province’s most critical challenges by restoring public trust and making transformative investments in education and other vital public services.

This event may be the final opportunity to hear from all four candidates before Ontario Liberal Party members cast their ballot for the next party leader.

Hosted in partnership with OSSTF/FEESO, the Ontario English Catholic Teachers’ Association (OECTA) and l’Association Des Enseignantes Et Des Enseignants Franco-Ontariens (AEFO), this event is free and open to the general public, with **advance registration required**.

The event will also be live streamed through one of OSSTF/FEESO’s social media accounts. More details about the livestream will be promoted on our social media accounts closer to the date of the event.

This is a public event – and is open to all local District and Bargaining Unit Executive members, including chairs of local committees or designated officers (i.e. Political Action Officers) who may not be part of a local executive council.
